It looks like Thursday and Friday are too complicated. What about Monday at 10 am? That time is free on my calendar, and it looks like it is free on the lotus notes calendars for Sue, Kathleen and Evans (we probably don't need everyone else, although the more the merrier).

Unfortunately I am not able to talk tomorrow at 2:00 pm - I'm not available Thursday from 2:00 - 4:30 pm - but I could talk Thursday morning and pretty much anytime on Friday. My LN calendar is up-to-date if that is an easier way to schedule a call. Thanks.

Hi Kathleen,

Would you be available to talk about the SPRU reservation of rights issues further, perhaps tomorrow afternoon or Friday. I would like to include Sue Stahle of OGC also, and Evans Stamatakis of my office. I'm copying them both here.

The issue we need to discuss is (b)(5) - Deliberative Process; Attorney Work-Product

I would love to have a discussion about this in which we try to come up with a way to protect EPA while nevertheless addressing DOE's concerns. I could talk at 2 pm tomorrow, or pretty much any time on Friday. Your help would be much appreciated!

Here's a revised draft ACO that reflects the various conversations with DOE since 9/20/11, along with a redline showing the differences between this draft and the 9/20/11 draft.

Before I send this new draft to DOE, I need some feedback from some of you, concerning the following points (although everyone's input is welcome):

Sue, Paul, Jeanette, and Evans: (b)(5) - Deliberative Process; Attorney Work-Product
